Yosef Gamble: No not yet he has been contact with Councilman Bruce Tabb.

Jennifer Treadway: Was there a similar resolution which was presented to the student government earlier in the year?

Yosef Gamble: No the previous resolution was in support of taxi vouchers for students.

Phil Rush: Is there a projected cost for these extended hours?

Yosef Gamble: No

Phil Rush: Is there any information on which budget this will come out of to cover the extended hours?

Yosef Gamble: Base funding will be considered in the fee which students already pay for Central transit

Nick Shuey: With the implementation of ZIP car is there a large amount of students which want to use central transit

Yosef Gamble: When it comes to ZIP car student must pay for however long they use that vehicle. For central transit student already pay the fee which student can use central transit as much as they want.

Nick Shuey: If “we” are considering raising the fee for central transit what is the benefit if the demand is not there if they are able to rent zip car personally?

Nick Shuey: How do “we” know if there is a demand for extended hours?

Yosef Gamble: There has been many students which have advocated for extended central transit times.

Rob Lane: Can there be more publicity if this resolution gets passed and central transit hours become extended?

Yosef Gamble: Yes that is something that will happen.
