**Executive VP Nick Shuey:** This past week I met with George Clark as the Chief financial officer of the university, to discuss what going on

in the legislature for spring quarter. Every Wednesday at 5:30 in SURC RM 301 the Service and Activities committee.

**VP Clubs and Organizations Philip Rush:** His staff has been working hard of getting the campus involvement fair up and running, which is going to be tomorrow from 11-3. We have also been working on the bylaws and the budget, and this is big quarter as far as funding requests. This means we are working very closely with SURC accounting to make sure people are getting reimbursed as fast as possible.

**VP Academic Affairs Jenn Treadway:** The next SAS meeting is next Tuesday at 7pm, and this will be the first one of the quarter.

**VP Student Life and Facilities: Rob Lane:** Will be heading to San Antonio tomorrow at 7, to attend the ACUI conference. Which is a conference with all SURC unions across the US to share ideas, and this will hopefully allow me to bring back new ideas to use at this school. As far as the ASCWU spring concert I cannot disclose much but hopefully next week.

**VP Legislative Affairs Cassie DuBore:** I am working on the College Civic week right now with the Center for Leadership and Community Engagement which will be May 4<sup>th</sup>-8<sup>th</sup>. On the Monday of Civics week we will be having community organization fairs, and a few guest speakers throughout the week. The guest speakers we are featuring will be some of the youngest lawmakers, and one representative is a recent graduate of UW, and this will be good to here from people that were recently in our shoes. Senator Patty Murray will be on campus tomorrow, and I was able to plan her meeting but since I will not be able to be there Nick will be facilitating her discussion with students.

**President Yosef Gamble:** I am working with passport day with the Kittitas County Clerk's office. I finally got the publicity down, and will have that down by the end of the week. Also working with 88.1 The Burg and seeing how we can advertise that through the radio regularly as well. Also, I have been coordinating to meet with people who are promoting the arts fund, so that student government gets more information. This will be discussed later in the meeting. Also I have been working on coordinating the class ring ceremony. If you order your ring by April 20<sup>th</sup> at the promo price, you will be eligible to go to the ceremony.
