VI. Reports of Senators

VII. Senator at Large Matthew Worrall

- a. Public transport

- i. The last two weeks I have been speaking with two freshman year students who commute from here to Yakima. One of them reported that, on multiple occasions, the bus was late, one time by 40 minutes. This is something I am keeping my eye on because public transit is a potential hurdle for many first years.

Senator for the Veterans Center Alex Cordon

- b. Student complaint

- i. A student at the OPR complained that they now have to charge higher prices and that the school cannot make a profit from it as they get no funding.
