

000310 Mother's Room

TYPICAL BUILDING SPACES

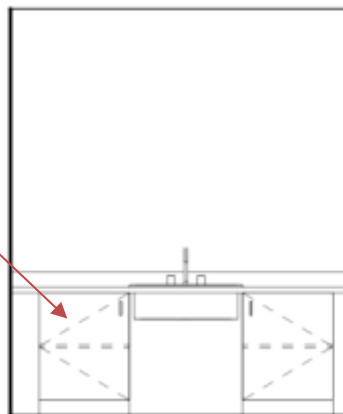

1 General

Some capital projects at Central Washington University may require a Mother's Room. For new building construction one Mother's Room per building is required and is ideally located on the ground floor level near the Restrooms. Occupied sign shall be tied to locks. The minimum room size should be 75 square feet. Mother's room shall be ADA compliant and provide sufficient space for a reclining chair.

2 Sample Layout

Provide power outlet for optional micro-refrigerator. Verify with CWU project manager.
