

## 000313 Extra Stock Storage Room

TYPICAL BUILDING SPACES

## 1 General

New buildings should contain an Extra Stock Storage Room. The size of these rooms will vary depending on the size of the building. The space may need to include the storage of files, documents, and extra stock need to facilitate the building operation. The storage room shall be at least 10 feet wide and 10 feet long. Location of the storage rooms shall be verified by CWU project manager.

## 2 Sample Layout

## 3 Detailed Space Requirements

ARCHITECTURAL		MECHANICAL		FIXED EQUIPMENT	
Floor		Temperature		Lectern / Podium	
Carpet	<u></u>	68°-75° ± 2°F		Casework	
Concrete (sealed)	•	Other	•	Marker Board
