

Central Washington University
Design And Construction Standards (DACS)
Project-Specific Modification (M) or Document Change (C) Proposal Form

Originator: _____ Phone: _____

DACS Section: _____ Modification (M) or Change (C)? _____ Date: _____

1. PROPOSED TEXT

Attach to this form a copy of the proposed text for the revision or change. Be sure to indicate where the new text is to be located within the DACS section.

2 REASON FOR THE MODIFICATION OR CHANGE

Describe the motivation for the proposed revision and provide background information or analysis that supports the proposal. Attach additional pages if necessary.

3. COST IMPACT

Provide an estimate of the cost impact on facilities projects, if any, which may result if this revision or change is adopted. State assumptions as applicable. If unit costs are provided, indicate the number of units used or installed on a typical project. Attach additional pages if necessary.

4. REVIEWS

List the departmental or supervisory reviews (if applicable) and the name(s) of individuals who have concurred with the proposed revision or change as submitted.

Signature _____ Date: _____

Print or type name and title: _____
