Please provide an overview of the student centered programming provided, i.e. type of programs, milestones, number of students impacted, and how they benefited.

This funding provides approximately half of the salary and benefits for the Lynnwood center Academic Advisor. This position serves approximately 350 students at the Lynnwood and Everett centers with a focus on the 250 students that are majoring in Business or Accounting. This position has over 1,000 student contacts per year and is integral in providing advising support at the new student orientations and to

prospective students. The Lynnwood advisor also provides support to CWU students at the Des Moines and Pierce centers when the Des Moines advisor is on leave. This position works closely with students in developing their academic and graduation plans, helping them understand how their credits transfer to CWU, provides guidance for students on academic warning and probation, and helps students find needed university resources. This position is crucial to the success and graduation of students that attend the Lynnwood and Everett centers.

Please provide a detailed explanation of any fund transfers from one service and activities fund budget to another.

\$552.71 was transferred out at the end of the year as part of the payroll accrual process.
