Please provide an overview of the student centered programming provided, i.e. type of programs, milestones, number of students impacted, and how they benefited.

University Scheduling provides room scheduling and resource management for all non-academic meetings and events occurring on campus. Our facilities are available for use by CWU recognized student organizations and departments as well as the general public. University Scheduling reserves over 20,000 events per year, 6500 of these are for student groups. This PID supports 2 full time staff. This PID has a long term written agreement with S&A to provide \$30,000 from the CWU Students to support the operations of

a University Scheduling Services office. In addition, we also receive funds from the State and the Conference Center represented under "other funds received" above.

Please provide a detailed explanation of any fund transfers from one service and activities fund budget to another.
