The SURC Accounting office has two full time S&A funded positions, one position funded from other sources and student employees. The two S&A funded positions are funded through the SURC flat funding agreement. The agreement also provides support for a portion of student payroll and goods and services. The SURC accounting office provides the budget and accounting services to Student Cubs and Organizations, processes the funding of the Student Academic Senate, Club Senatge, S&A, Equity Service Council, and Sports Clubs. Support is given to Student Clubs regarding the rules and regulations that govern their activities with an emphasis on (but not limited to) travel and fiscal related transactions. The office is responsible for setting up tills within the REC Centers, reconciling and processing all revenue, billings and financial reports. The office has multiple daily contacts with students associated with club transactions and assists hundreds of student travelers in preparing travel authorizations, travel vouchers and reimbursements, ensuring all transactions are reconciled.

Please provide a detailed explanation of any fund transfers from one service and activities fund budget to another.
