EC Updates

The EC agenda for (2/12) includes a discussion of the faculty code changes and the code language submitted by the BFCC. The Chair of the Executive Committee (EC) will discuss the role of students in the committees under the EC.

CWUP Language

The BFCC is looking for ways to relax the language to make it less strict as per the instructions provided by the EC. The committee sent the revised draft to Walter. Our hope is that the EC can provide feedback on the revised language before the next BFCC meeting on February 25th.

The BFCC talked to Walter at the meeting to clarify changes in the CWUP language.

Meeting adjourned at 5:00 p.m.
