Chair update – Becky reported she has been in meetings and working on assessment pre-planning with Bernadette and Teri. Next week might have a pre-plan to bring to the committee. It was decided to invite the Pathway coordinators for this discussion.

Becky will work on asking the Curriculum Committee to put in policy language to not allow 184 courses to be put in programs (major, minor, certificates, etc.)

Assessment this quarter will be looking at those faculty are interested so we can have some information from this quarter. Faculty have been more reception to the artifact collection were once they understand why it was needed. We are in a good spot to continue with assessment, but need to have an intentional way for those who are interested in participating.

Mike Gimlin indicted there are about 20 petitions for next week.

Meeting was adjourned at 4:58 p.m.
