General Education Committee Minutes February 14, 2022

Present: A.I. Ross, Teri Walker, Michael Braunstein, Tim Hargrave, Maura Valentino, John Choi, Elaine Glenn, Peter Gray, Michael Goerger

Absent: John Neurohr, and Mike Gimlin

Guest(s): None

Meeting was called to order at 3:11 p.m.

Michael B moved to approve the February 7, 2022 minutes as amended. Maura seconded and motion was approved with one abstention.

Chairs report – Trista is working on the website. There is still information needed for the "need to know" section. Teri is working on getting that information. Teri has expanded the assessment guide for GEC review.

GE Program Assessment Process – Teri went over the GE assessment process. Michael B went to the Canvas course and there are some courses that don't fit nicely into those (CWU 400, DHC, etc.). Teri indicated this may need to be another module added, such as "other".

GE Program Assessment Plan – The committee went through the document and made changes to some of the questions.
