Meeting was convened at 3:13 p.m.

Michael B moved to approve the May 1, 2023, minutes. Teri seconded and motion carried.

Chair report – Maura has been asked to talk with the Anti-racism, Diversity, and Inclusivity (ADI) committee tomorrow. Maura is working on the course change proposal for CWU 184.

GE proposal forms – Mike G is still working on the draft copy.

GE learner outcomes – Teri provided a draft of information for the program learner outcomes. Maura asked that committee members review this information and decide how you would write five or six program learner outcomes.

Common Core review – The committee discussed MUSC&131, 132 and 133. John N indicated that most music theory courses would not count as GE. EDUC 150 Child/Family/Community should be K6, P2, P3, P6. The rest of the courses are good to go with the review groups recommendations.

Student Petition – Student petition for Creative Expression. Student took Art courses at Shoreline Community college and would like them to come in to cover the GE K3 Creative Expression. Peter moved to approve this petition to utilize ART 109 from Shoreline for the K3 Creative Expression knowledge area. Michael B seconded and motion carried. This is not a rule and future petitions will be looked at case-by-case.

Two things to do this week are to look at the GE forms and provide potential program learner outcomes.

There will not be a meeting next week.

Meeting adjourned at 4:15 p.m.
