...that has, thus far, led to a few students having to take additional General Education classes to fulfill the requirement.

Chair report – John reported he has not received information for LLAS 405.

Proposal review

MSL 101-103 – Recommend approval for K4, P3, P4, P6

The committee talked about SOC 109. This is a course that is currently in the GE program for K2, P1. There have been changes to the outcomes and the committee needs to see if it still aligns with this knowledge area and pathway. Teri will put together some information for the committee for next week.

For the review of current courses that have changed their outcomes, need to put together information on what the old outcomes were and then what the changes are. Go back to the original alignments if they haven't provided new information.

Meeting adjourned at 4:45 p.m.
