## Mission:

CWU CAMP provides migrant/seasonal farm working individuals with intensive academic support and resources critical to their success during their first year and beyond at CWU.

## Vision:

With a holistic and inclusive approach to student advocacy and support, CWU CAMP employs the belief that all eligible participants will have access to resources that will assist them in their pursuit of a post-secondary education.

## Diversity Statement:

CWU CAMP is committed to prioritizing diversity and inclusivity efforts on and off campus through equity focused outreach and retention initiatives. CWU CAMP advocates for its participants and ensures their needs are being efficiently and effectively addressed.

## Grant Objectives

- 1 Outreach**  
Outreach to underrepresented potential participants and recruit 60 eligible MSFWs who are most in need of academic instruction and supportive services.
- 2 Support Services**  
Provide CAMP students with admission and intensive academic and support services throughout their first year of college and as they continue in postsecondary education.
- 3 Career and Advising**  
Provide 60 students with academic, career and personal counseling and advising services to enable them to succeed in their first year at the University.
- 4 Financial**  
Provide 60 students with financial aid assistance and access to federal, state, private and institutional resources to support their first year at the University.
- 5 Follow Up**  
Provide follow-up services to enhance students' retention and graduation rates through academic and financial support after completing their first year of college.
