**Meeting with President Gaudino (11/13/20) Update**

Christian, Ashley, Bea, and Mickael met with President Gaudino last week to discuss the student tech fee for winter quarter. The President indicated that the fee would remain at \$10 for winter quarter, but we can talk about it get reinstated to \$30 for spring quarter. He indicated the BOT would not meet again until February, therefore it would be too late into the quarter to discuss winter quarters fee. He also said that he told the BOT they need to discuss fee matters with the councils beforehand, and the President made sure the council's budget was in good standing.

Ashley will talk to Mickael and make sure the student tech fee council is on the BOT agenda for their February meeting.
