Central Washington University (Antic. June 2020)

Bachelor of Arts

Elementary Education

CERTIFICATION

Washington State Initial Certification (Antic. June 2020)

Elementary Education (Gr. k-6)

FIELD EXPERIENCE

Lincoln Elementary School, Ellensburg WA

04/02/2019-05/23/2019

Recess Helper

- Played with all students during recess and watched over their safety on the playground.
- Encouraged communication skills to solve problems.

Lincoln Elementary School, Ellensburg WA

10/01/2019-03/12/2020

Grade 3

- Helped with leading group readings in the hallway by leading the readings and asking questions.
- Helped with leading group math sessions in the hallway by answering questions.
- Read stories during read aloud time and stopped to ask questions and gather thoughts about the book.
- Helped with leading a lesson about commas during writing time.
- Helped with art projects and writing time by communicating with students to help them get their thoughts out.
- Helping the teachers by making worksheets, passing out material, cutting out different material for workshops, and minor cleaning.

RELATED EXPERIENCE

Residential Outdoor Environmental School – Hailey, ID (2015 & 2016)

3 day outdoor environmental camp with middle schoolers.

- I was a Junior and Senior in high school and I was a cabin leader to help the students learn at their different stations and maintain care and safety during all activities.

Teen Council - Hailey, ID (2014-2015)

A small group of high schoolers dedicated to teaching students some things about sex education.

- In this group we would meet weekly to learn about sex education. After gaining knowledge about sex education, we went to different schools to relay this information.
- We taught students about the reproductive organs, safe sex, and STD/STI prevention.

Kittitas Elementary School, Kittitas WA.

01/21/2020 – 03/12/2020

Grade 3

- I assessed the students reading skills through baseline tests.
- After assessing, I created a unit that would have several lesson plans to help them improve their reading skills.
- I wrote several lesson plans and taught the lesson plans with a single third grade student that was paired with me.
- I created several worksheets to go along with the lesson plans.
- I would help guide the student with their reading and ask several questions to help with their reading comprehension, and then guide them through the worksheets reflecting on their knowledge of the texts.

Mt. Stuart Elementary School, Ellensburg WA

10/21/2020 – 11/01/2020

Grades 3 and 4

- This field experience revolved around teaching an engineering lesson to the students of Mt. Stuart Elementary School.
- I was paired with a peer to construct and deliver an engineering lesson through Flipgrid online.
- We participated in the challenge, showed the students our outcome, and explained the challenge materials, instructions, and steps through a video.
- After the students had done this challenge on their own at home, they responded to us by posting a video and we reviewed them and gave feedback to all students.

COLLEGE EMPLOYMENT

Resident Assistant, CWU

Ellensburg WA. (02/2020 – 03/2020)

As a resident assistant, I was in charge of communicating with the residents that lived within the resident hall I was in, helping them navigate through their college experience (introducing financial aid, helping with finding counselors, and getting them involved in the activities they wanted to be involved in), checking the resident halls during the night to maintain safety, planning events for students of Central to enjoy, and helping everyone move in and out.

COLLEGE EMPLOYMENT

Community Support Specialist, Elmview

Ellensburg WA. (01/2020 – Present)

As a community support specialist (CSS), I am in charge with caring for two clients with disabilities. My work day consists of administering medications, cleaning the household, cooking meals, transporting the clients to appointments, helping with grocery shopping and financial savings, and helping them work toward achieving habitual goals and behavioral goals.
