Information Technology and Administrative Management, Bachelor of Science (BS-ITAM)

Program description and career options:

- **Program description:** Our Bachelor of Science in Information Technology and Administrative Management (BS-ITAM) degree bridges the gap between information technology and administrative management, creating career-ready graduates. Whether you decide to study online, at the Ellensburg campus, or at one of the CWU University Centers, you will receive engaging, quality teaching with leading-edge curriculum. In our student-centered programs, both majors and minors receive personal, one-on-one advising throughout their degree progress.

  Students can specialize in: Administrative Management, Cybersecurity, Data-driven Innovation for IT Managers, Network Administration and Management, Project Management, Retail Management and Technology, Web and Database Administration and Management.

- **Likely Career Paths:** Program/data analyst, office administrator, information security analyst, project/program manager, web administrator, BI analyst, cybersecurity consultant/analyst, web development, system/architect engineer, supply chain/operations analyst, IT manager, social media director, IT specialist, cyber network specialist, network/database administrator.

Key considerations:

- **Cost:** University-wide costs (**cwu.edu/financial-aid/cost-attendance**)
- **Additional costs:** Some of our technical courses have a $25-$50 lab fee. Online Course fee $40.
- **Location:** Ellensburg, CWU-Des Moines, CWU-JBLM, CWU-Lynnwood, CWU-Pierce County, CWU-Sammamish (hybrid), Online
- **Primary contact:** 509-963-2611 | itaminfo@cwu.edu | **cwu.edu/it-management/contact-us**

Course planning:

1st and 2nd Year Courses or Areas of Study:

CWU Course #	CWU Course Name	Transfer Course #
ADMG 201	Introduction to Business	BUS& 101

- We encourage students to use TES to verify that their courses count towards the general education credits or the ITAM degree. Additional major course equivalencies vary by institution.
- Students should work with a CWU ITAM advisor to discuss possible equivalent courses that they can take prior to coming to CWU. Please email itaminfo@cwu.edu.
- The **Transfer Equivalency Site (TES)** provides CWU equivalencies for courses offered at other colleges and universities.

Advising Notes:

- Students typically complete this degree in 6-8 quarters if they are transferring with an AA-DTA studying at a full-time pace.
- The majority of ITAM classes are offered four quarters a year.
- Students should work with their advisor for sequencing of their specialization courses.
- This program is designed to serve students at the centers who have military or international student status requirements.
- Students must earn a C- or better in all major courses.
- Network Administration and Management specialization and Web and Database Administration and Management specialization are only offered through the Ellensburg campus. All other specializations can be completed at Ellensburg, CWU-Pierce County, CWU-Lynnwood, CWU-Des Moines, CWU-Sammamish (hybrid) or 100 percent online. Students at the CWU-Moses Lake, CWU-Wenatchee, and CWU-Yakima centers complete their ITAM classes 100 percent online.
- Any Washington state DTA (Direct Transfer Agreement) degree will satisfy all general education requirements.
- Major requirements may change over time; students will be expected to meet the catalog requirements in place at the time they are admitted to the major. Current catalog: **https://catalog.acalog.cwu.edu/**
