Program Overview
The Center for Latino & Latin American Studies seeks to engage CWU students, faculty, staff and local communities in a study of Latino and Latin American experiences, peoples, and cultures. The Latino & Latin American Studies (LLAS) minor provides students with broad, interdisciplinary training in the economic, social, political and cultural realities of Latino and Latin American peoples. The minor will be extremely valuable for those pursuing careers in business, government, social work, law and justice, and teaching that require engagement with Latino communities in the United States, as well as for those who wish to travel and work in Latin America. Moreover, the Latino & Latin American Studies minor also serves as preparation for graduate study in multiple academic and professional fields.
