Generate a What-If Advisement Report

To see how the course equivalents of your modeled transfer credit apply towards degree requirements, you can run a simulated or "what-if" Advisement Report. The career, program of study, major, concentration, and catalog year values that you select determine the degree requirements. Displayed are your choices for this model. If you did not select a major previously in this transaction, you may do so now. Only course equivalents from models with matching programs of study will be available to satisfy degree requirements.

Select the Submit Request button to generate the What-If Advisement Report.

5. The schools the advisee has reported will be listed under 'Self Reported Courses' and the courses will be under 'External Courses'
6. To view all schools for which the advisee has entered transfer credit to be evaluated, select 'View All'
7. To view all courses the advisee has been entered for evaluation at each school, select 'View All'
8. To view additional information on courses entered, select the 'Course Data - 2' or 'Additional Information' tab

The screenshot shows a web application interface for 'Self Reported Courses'. At the top, there is a navigation bar with 'Favorites', 'Main Menu', 'Campus Solutions', 'Records and Enrollment', 'Transfer Credit Evaluation', and 'External Education'. Below this is a dark header with 'Homepage' and 'Employee' links. The main content area is titled 'Self Reported Courses' and shows the user 'Wellington Wildcat' with ID '22745641'. There are two tabs: 'Self Reported Courses' and 'External Courses'. Under 'Self Reported Courses', there is a search bar with 'Find' and 'View All' (annotated with a red '6.'), and a list of external orgs with 'Green River Community College' (annotated with a red '5.'). Under 'External Courses', there is a search bar with 'Personalize | Find' and 'View All' (annotated with a red '7.'). Below this is a table with columns: 'Course Name', 'Units Taken', 'Grade Input', 'External Term', 'Term Year', and 'Course Level'. The first row is 'Contemporary Mathematics' with 5.00 units, a 2.3 grade, in Winter 2013, at a Regular level (annotated with a red '8.'). At the bottom, there are 'Course Defaults' and 'Transfer To' sections.
