Additions or Corrections to Agenda:

Approval of Agenda:

Motion to approve the agenda for April 24, 2015

So moved EQUAL
Seconded by FASA

Motion passes 7-0-0

Executive Board Report:

- **Chair: Spencer Biallas:** This week, I have been working with efforts to provide sexual violence awareness on campus. I have also been handling various items regarding funds requests. Earlier today, Olivia, the organizations' presidents, and I met for our quarterly President's Roundtable. We spent some time reflecting on how the quarter has been going thus far and also discussing what we hope to accomplish to finish out the year. On May 12th, ESC will be hosting Minute to Win it from 1-3 on the Barto Lawn. We are requesting that each of the organizations comes up with a couple of Minute to Win It game ideas for this event. There will be more information to come regarding that. We also spoke about a student-made pathway outside that leads near Dean to the SURC. Spencer is now on the SURC Arts committee and is looking forward to installing several multicultural pieces throughout the SURC and throughout other buildings on campus.
- **Community Programmer: Olivia Durham:** I briefly spoke about this last week, but I am in the process of planning a spring food drive, similar to the one held in the fall. We will have volunteers standing out in front of grocery stores and will have a box outside of the C-Store, which would be encouraging students to clear their connection cards and donate to FISH. We would be at the grocery stores on May 29, 30, and 31, and would have the on campus drive running from June 1-June 11. Please stay tuned for more information regarding that and for sign-up sheets for being out front of the grocery stores. I also plan to swing by your organization's meeting to pitch this idea then. Next, please remember that I need advisor contact information. I have only received ABLE and EQUAL's

Seconded by ABLE

Motion passes 6-0-1

- **FASA wrap-up report**

This conference was held from the 17th – 19th of April. 14 people from CWU were able to attend. The mission we had in going to this conference was to take part in a forum and discuss the well-being of the communities that we are all a part of. There were a lot of new members able to attend, which was encouraging. One of the key takeaways we had for the future is not utilizing campus vans as we feel as though there are more efficient avenues to travel. We did display great communication among our members throughout the conference.

- **Rock Against Rape participation**

I just want to reiterate what I said earlier, which is to get the form that Olivia e-mailed to you filled out and submitted to the Wellness Center by 5:00 if you were interested in having a table at the event. Both MEChA and FASA have already turned in a form to participate.

Issues/Concerns/Announcements:

- May 15th, Student Government is hosting its first annual student-run concert. I do have a ticket for each of you; however, we are requesting that you turn in your organization's recognition packet in order to get your tickets!
- Student Government also has a case right outside of the office, so if your organization has any sort of advertising, give it to me, and I will put it on display in the case.
- Michelle: Please always remember that CDSJ is here to assist all organizations if you need anything at all. However, organizations are able to use any of the technology and supplies we have in the office, but please be sure to ask and get permission from professional staff members before using any items in the CDSJ.

Public Comments: Public comments may be submitted to Spencer Biallas in person or via email ascwucommunity@cwu.edu. Public comments may also be presented at the time of the meeting

Adjournment:

Motion to adjourn the meeting for April 24, 2015
