Welcome to the 2011 NWCCU Annual Report tool. We hope this format proves simple to use, easy to understand, and easy to complete.

New features include: easy printouts for review and hard copy records, uploads of Excel spreadsheets, bylaws, and IPEDS reports directly within the survey, and pre-population of a good deal of data for the report itself. (Note: pre-populated fields were taken from the SurveyMonkey report that was completed last year. If your institution did not turn in a SurveyMonkey report in 2010, your institutional information may not be entered. Also, we have allowed the receipt of Excel spreadsheets for sections 5 through 9 this year. Institutions that have more than 10 entries for those sections will not find their entire data listed. Please contact the Commission office (425-558-4224) for a complete listing of your 2010 responses if you wish to review and submit them from previous entries.)

### Section Ten

Click to review your responses to the survey. You will not be able to make changes to the review form, but will be able to go back in the survey and revise responses once you close the review page. You can print the review copy by using your browsers "Print" function. You will also have a chance to print your completed report after report submission.

Please add any comments here for the Commission office on the format or questions of the 2011 Annual Report.

Only the first page prints in the "review" copy. Questions do not print, even in print preview. Had to print each page individually through print preview - some pages at 60%, some legal some not. Poor set-up.

Please enter the specific institutional code provided to the President of your institution. Use of this code constitutes an electronic signature by the President and will be accepted by NWCCU as formal acceptance and responsibility for the data contained in this survey.
