Qualified applicants will be admitted on a "first-come first-served basis." Aviation applications will be processed when the following conditions are met:

1.) Applicant has been accepted to CWU.
2.) All required supporting documentation is received to complete the application as listed below.

Applicants for **PROFESSIONAL PILOT - FLIGHT OFFICER Degree** must complete the following before having your application processed:

---
A PHOTOCOPY (not the original) of an FAA Class 1 medical. (See website for additional information.)
---
A PHOTOCOPY of your academic transcript documenting GPA
---
A PHOTOCOPY of SAT or ACT scores (not applicable to transfer students)
---
Letter of Recommendation from flight instructors professors, teachers (no friend or family please)

Applicants for **AVIATION MANAGEMENT** or **AVIATION MAINTENANCE MANAGEMENT Degree** must complete the following before having your application processed:

---
A PHOTOCOPY of your academic transcripts documenting GPA.
---
Only answer question #3b

**PLEASE WRITE LEGIBLY or TYPE:**

**Previous Flight Training** *(No flight time?  Skip and go to question #1)*

List approximate flight hours *(other than as passenger)* you will have **upon arrival at CWU**:

- Dual Instruction _________________ flight hrs
- Solo time: _________________ flight hrs

List FAA Certificates/Ratings currently complete: __________________________________________________________

List FAA Certificates/Rating proposed to be complete **upon arrival at CWU**: ______________________________

Did you complete Part 141 ground schools for all FAA Certificates/Ratings listed?  **YES**  **NO**

Explain: ____________________________________________________________

Indicate all flight training you have received (list type, hours, name and location of school, etc...)

__________________________________________________________________________________________________

__________________________________________________________________________________________________

(Questions pertaining to prior flight experience are for the Aviation Program planning and information, and in no way affects or influences acceptance into the program)

**Please answer the following questions**:  (use separate piece of paper if required)

1. In addition to the regular course of study of approximately 15 credit hours per quarter, you are expected to participate in a flight lab each quarter which involves about two to three flights per week at the Ellensburg Bowers Field airport. How do you expect to meet the time and work demands of this rigorous program and schedule?  __________________________________________________________________________________

2. Midstate Aviation, Inc. indicates the estimated flight training costs for Private, Instrument, Commercial, CFI, and Multi-engine flight training is approximately $68,000 (as of 09/15/11). These flight costs are **in addition** to the estimated four-year CWU fees (tuition, room/board, books, transportation, etc.) of approximately $69,000 (2011-2012 estimate total costs). Flight training costs for the Professional Pilot Minor are approximately $12,000. Please indicate the source and amount of total funds used to pay for your education while here at CWU.  Be specific.

Thank you for your interest in our Aviation Department. Your application will be given careful consideration and you will be notified of the status of admission to the program. Applications for our Professional Pilot - Flight Officer program received after enrollment is full will be considered on a space available basis and qualified applicants will be placed on a waiting list. Those on the waiting list are invited to attend CWU and will be notified as soon as an opening becomes available.

If you have any questions about CWU admissions please contact the CWU Office of Admissions at (509) 963-1211 or for information about the Aviation application process call the Department of Aviation at (509) 963-2364, or FAX (509) 963-2377, or www.cwu.edu/~aviation. Please mail or fax all applications to:
