Job Announcement – Summer Internship

Job Description: Mid-Columbia Fisheries (MCF) seeks to fill several summer internship positions to work out of our Ellensburg office collecting data and assisting staff members with regular duties. We are seeking hard-working, dedicated individuals interested in working on habitat restoration projects or performing educational outreach. Activities are primarily geared towards data collection, assisting with the relocation of nuisance beavers, or educational outreach. Work will occur throughout the Yakima Basin under the supervision of the Project Manager. The position will require either a 5 credit or 10 credit commitment.

Primary Responsibilities for Bull Trout Task Force Include:
- Educational outreach of recreationalists
- Removing recreational dams
- Performing public presentations at camp grounds

Primary Responsibilities for Monitoring and Beaver Reintroduction Include:
- Vegetation Monitoring
- Stream Surveys
- Trapping, husbandry, and relocation of nuisance beavers
- Habitat mapping
- Stewardship
- Assisting WDFW with egg to fry study

Skills and Qualifications:
- Must be able to communicate effectively, responding to emails in a timely manner;
- Flexible to changes in assigned duties;
- Respectful communication with a variety of people including crew members, supervisor, volunteers, interns, landowners, and others;
- Must be dependable and self-motivated;
- Must demonstrate the ability and willingness to perform all aspects of the work;
- Must be able to work up to 10 hours/ day for 40 hours per week;
- Must be comfortable working around water and in remote areas (without cell phone coverage);
- Must comply with all safety and personnel policies.

Pay: Non-paid position

Position Duration: Positions are expected to begin June 22, 2015 and terminate on or about September 14, 2015.
To Apply: A complete application should include a cover letter, resume, and a list of three references. Please email one electronic copy of your application to mel@midcolumbiarfeg.com Applicants are encouraged to call 509-310-9274 to confirm that we have received your application materials.

Application Closes: The positions are open until filled. We will begin reviewing applications on May 1, 2015.

Mid-Columbia Fisheries Enhancement Group is a non-profit, community based group dedicated to restoring self-sustaining populations of salmon and steelhead. Mid-Columbia Fisheries works with landowners and community partners to protect and restore fish habitat. The Mid-Columbia region includes the Yakima Basin, the Klickitat, White Salmon, and Wind Rivers, and numerous smaller tributaries in Skamania, Klickitat, Benton, Yakima, Kittitas and Franklin Counties. It is the policy and intent of the MCF to provide equal employment opportunity for all persons regardless of race, color, religion, national origin, marital status, political ideology, sexual orientation, status with regard to public assistance, disability, sex, or age. MCF intends to act nondiscriminatory in all acts related to recruiting, hiring or promotion of staff. For more information about us please visit our website: http://midcolumbiarfeg.com
