

Careers With the U.S. Department of State

Wednesday – April 11 – SURC 201

11 – 12 AM

1 - 2 PM

Learn about a career opportunity unlike any other. The U.S. Department of State offers careers around the world, in Washington, DC, and elsewhere in the U.S. There are 19 different specialist jobs that are grouped into several categories – including **IT, Engineering, Management & Business, and Law Enforcement & Security.**

Other opportunities include Foreign Service Officers, internships, and fellowships. Information about our IT Fellowship Program is available at www.twc.edu/FAIT2018.

All majors welcome!
