

How Do I know Which Ceremony I'm in?

CWU's Ellensburg Commencement ceremonies are divided up by College. Each major falls under one of four undergraduate colleges:

- College of Arts and Humanities (CAH)
- College of the Sciences (COTS)
- College of Business (COB)
- College of Education and Professional Studies (CEPS)

For Commencement, each college is assigned a color. This is the color you will look for at line-up on Commencement day in the SURC and will also be the color of your name card. Please find your major below to determine which college you are in, what your college color is, and which ceremony your college falls under.
