

BREWERY PACKAGING OPERATOR WANTED!

ODIN BREWING COMPANY
TUKWILA, WA

Odin Brewing Co. is accepting applications for a packaging position in Brewery Operations. Primary duties may include but are not limited to: racking, bottling and canning beer, tank cleaning and sanitation, cellar work, general labor, loading and unloading trucks, forklift operations, light maintenance and repairs.

This is an entry level position with the possibility of advancement within the company. Brewery experience is desirable but not necessary for this roll.

Odin Brewing is located in Tukwila, WA with easy access to I5 and I405. We are a fast paced and expanding company. We strive to make high quality product in a safe, efficient and exciting environment.

Essential experience includes:

- Ability to work in a safe and efficient manner.
- Learn and adhere to standard operating procedures for relevant tasks and safety precautions.
- Able to ensure a clean and sanitary working environment.
- Willingness to communicate relevant information in a timely and effective manner.
- Maintain safety, efficiency and quality.
- Complete daily records.
- Troubleshoot, resolve and report all mechanical or plant issues.
- Attend and participate in departmental and all company meetings.
- Ability to work in cramped, wet, cold and hot conditions.
- Ability to lift 55lbs and team-lift 150lbs kegs.
- Arrive ready to work and with a positive attitude.

The ideal candidate will have:

- Willing and able to troubleshoot complicated equipment issues.
- Excellent work ethic.
- Positive, can-do attitude.
- Fine technical or mechanical is skills highly desired.

As an employee in Brewing Operations, you are eligible for a health stipend, Paid Time Off and, of course, beer benefits. Please submit a resume and Cover Letter or email to Heppenstall@odinbrewing.com
