

Master Teacher Area of Emphasis

The Master Teacher, MEd is a graduate program for classroom teachers intending to advance their careers or assume positions of leadership within their schools. A key component of the program is student choice, allowing you to design your own program.

Create a Program that Meets Your Career Goals

As a candidate in the Master Teacher program, you can select 29 of the required 48 credits to meet your personal career goals. To help you meet these goals, a Master Teacher faculty advisor will assist you.
