Student Awards and Scholarships

Student Awards:
Student awards vary from year to year. Typically each year about a dozen juniors are elected to participate in Sigma Lambda Chi, the international construction honor society. In past years a CMGT senior was selected to give the student commencement address at graduation. The following year a CMGT senior was selected to give the Honors Convocation student address. Twice a CWU CMGT senior was selected as the “Outstanding Student Presenter” in the multi-family division of the ASC competition for Region VII.

ASC Region VII Student Competition Team Awards:
