Introduction of Lori Gray as the newest committee member representing CAH.

Chair report. Becky reported there will be an open General Education session on Wednesday, November 8 from 9:30-12 in the Grupe Faculty Center. Morgan indicated she can be there from 11-12. Lizzie can be there 10-12. Becky talked with the committee about several proposals that have come in after the deadline. At the last meeting it was decided to not to allow any of those courses for F18. The committee discussed the implications and decided to go ahead with those courses that had their course proposal in by the deadline, but not the General Education proposal. These proposals will be reviewed at the end. Becky will draft some language regarding this decision and send it to the committee for their review.

Student petitions.

Student #1- BFA Theatre Arts student that did not take foreign language and was advised by the department. Letters of support from Chair and Associate Dean of the college. They all admit they advised incorrectly. Lori Gray moved to approve the student petition. John seconded, and petition was approved.

Student #2 – Student originally applied for graduation spring 2015 but was missing natural sciences and 8 credits in major. Student has come back to complete and was originally enrolled in ANTH 314, but the course got canceled. They were advised to take GEOG 273. However, they had already taken GEOG 103. Student does have a letter of support from advisor. Lori moved to approve the petition. John seconded, and petition was approved.

Committee broke into two groups to review proposals.

Meeting was adjourned at 5:01 p.m.
