

**Space and Equipment Budget Subcommittee
2020-2022**

The subcommittee reports to the President's Budget Advisory Committee.

The purpose of the committee is to:

1. advise on the use of instructional equipment and technology funds;
2. act as broker for units wishing to give up or acquire academic space;
3. advise on the development of policies and procedures for the management of space; and
4. ensure space data is accurate and reliable.
