Waiver Request Details

In the field below, please provide the Tuition Waiver Budget Subcommittee with more details about your waiver request. This should include information such as:

- A description of the waiver recipient criteria
- The number of students this waiver will serve
- Whether the request is a one-time request or a continuous request
- A description of the criteria required to maintain the waiver (GPA, full-time enrollment, etc.)
- How this waiver supports the University's Strategic Enrollment Management goals:
 - Increase new student enrollment
 - Increase traditionally underrepresented student group enrollment
 - Increase retention, persistence and completion
