

Example Schedule
BS IN FOOD SCIENCE AND NUTRITION
FOODS AND NUTRITION SPECIALIZATION
2014-2015

	Fall	Winter	Spring
Freshman & Sophomore years	CHEM 111/L (FW)(5) NUTR 101 (FWSpSu) (5) ECON 101 (FSu)(5)	CHEM 112/L (WSp)(5)	CHEM 113/L (Sp, Su)(5)
Junior (required courses, highly recommended to be taken early in the program)	NUTR 240/L (FWSp) (4) *NUTR 343 (FW)(1)		
Junior * pre-specialization requirements	NUTR 348 (FWSp)(1) NUTR 447 (FW)(3) EDCS 312 or *PSY 362(FWSp)(5) NUTR 344 (FSpSu)(3)	NUTR 345 (FWSp)(3) NUTR 446 (FSpSu)(3) BIOL 201 (FWSp)(5)	
Senior (required sequence courses or offered once a year)	NUTR 433 (F) (3) NUTR 440/L (F) (3)	NUTR 445/L (W) (2)	
Senior Additional required courses	NUTR 340/L (WSp) (3) NUTR 342/L (FW) (5) NUTR 349 (FSpSu) (3)	NUTR 448 (FSp) (4) NUTR 347 (FWSp) (3)	

- It is strongly recommended that student schedule NUTR 490 Cooperative Field Experience, 5+ credits in the summer following the junior or senior year. If the student seeks a clinical experience, it is strongly encouraged that the student completes NUTR 344 Medical Nutrition Therapy before initiating the experience.
- To graduate, a student needs to complete at least 180 total credits with 60 credits at the 300 or 400 level in addition to completing the major requirements above. There are 45 credits in the major at the 300 or 400 level unless courses are substituted from another institution at a lower level.
- Note that NUTR 440/445 – Experimental Foods/Research has a large number of prerequisites that are needed in order for one to produce a successful food research project. Those pre-requisites are NUTR 240, NUTR 340, CHEM 112, PSY 362 (or other statistics class), and ENG 310. Please plan your schedule to take these classes before taking NUTR 440.
- Prerequisites for full admission to the major are NUTR 101, NUTR 240/L, and CHEM 111/L (or CHEM 181/L). You can be admitted as a pre-major before completing these courses. However, these courses are prerequisites for many other courses in the program and should be taken as early in your studies as possible. Also, as a pre-major, CAPS will not do a program requirement assessment.
