The re-application process for academic year 2011-2012 began February 8, 2011. The date each student will select their housing depends on their individual circumstances. However, it is important that each student have a plan of action in order to ensure that they do not miss their first opportunity to register. The on-campus students each received a detailed packet of information in their campus mailboxes. Please take this opportunity to check-in with your student to see if they know what they are planning to do next year. If you have any additional questions please review the information on our website or call the housing assignment office at 509.963.1831.

Orientation Leaders

Is your student a leader? We are now taking applications for leadership positions for Discover! Orientation, Business Week and Wildcat Welcome Weekend. Applications are available in the Residence Life Office or online and are due back to the ResLife office on February 25, 2011, by 5:00 pm. These positions are a great way for students to take on leadership roles on campus, as well as become involved with incoming students.
Random Acts of Kindness

The Don and Verna Duncan Civic Engagement Center (CEC) is organizing Central’s Random Acts of Kindness Week between February 14th and 18th. This week is a time for all of us to practice service through daily acts of kindness and civility. The CEC will focus their efforts on widespread campus and community appreciation throughout the week. Students who want to take part in Random Acts of Kindness Week activities can contact the Center for more information through email at takeaction@cwu.edu with “Attn: RAK in the subject line or by phone at 509-963-1643. Interested students can also stop by the office in SURC 256B.
