

WELCOME BACK WEEK

CENTRAL WASHINGTON UNIVERSITY

Sunday Sept. 21st - Tuesday Sept. 30th

Presented by the Sophomore Year Experience

Welcome Back Wildcats!

I hope you are as excited as I am to begin another year at CWU! Your college years are the most challenging, stressful, and rewarding years of your life and I want you to know there are resources on campus to support your success. Throughout the year you will see an increase in programs and activities that encourage you to visualize the finish line and chart a plan to get there. Welcome Back Week is meant to remind you of all the reasons why you chose to attend CWU and inspire you to make the most of your time as a Wildcat. Best wishes for an incredible year!
