8.0 Viewing Class Section Details

The Section Enrollment Summary page for Class Sections provides an overview of all Class Status and Class Enrollment Limits for all sections of a specific class.

Navigation: Main Menu > Campus Solutions > CWU Student Administration > Student Records > Curriculum Management > View Section Enroll Summary

Steps for Viewing Section Enrollment Summary:

1. Follow the navigation path listed above to access the search page for Section Enrollment Summary.

   On the Section Enrollment Summary search page, if CWUID does not default into the Academic Institution field, click the magnifying glass to the right of the Academic Institution field. When the Look Up Academic Institution page appears, click the button. Then click on the link for “Central Washington University” in the Search Results.

2. Enter the Term:
   • 1st digit is the century (0=1900’s and 1=2000’s);
   • 2nd and 3rd digits are the last two digits of the year;
   • 4th digit is the month in which the term begins (9=Fall, 1=Winter, 3=Spring, 6=Summer).

Examples - Spring 2012 = 1123, Summer 2014 = 1146, Fall 2013 = 1139

You may also click the magnifying glass to the right of the Term field, followed by the Look Up button, to click on the Term of your choice.
3. Enter the **Subject Area**. Subject Area is the course prefix. 4. Enter the **Catalog Nbr**, or, if you want to view all courses under a specific **Subject Area**, leave the **Catalog Nbr** field blank.

5. You may also search for a course by its **Description**. This comes in handy when searching for Special Topics, Seminars and Workshops. To do this, enter a keyword or phrase that would be found in the description of the course into the **Description** field.

6. Click the **Search** button.

7. To clear the information you entered into the fields on this page, click the **Clear** button.

If you did not specify a campus, and the course or subject area you specified is offered at more than one campus for the term you chose, then you will need to click on your choice in the **Search Results** that appear at the bottom of the page.
