Enforcement

In lieu of an enforcement hearing, the Board accepted stipulations from:

- Ray Meinzer, Facility Services Coordinator, Department of Social and Health Services for using state resources for personal gain. Evidence indicated that during the past 1½ years, Mr. Meinzer had been using the state’s underground parking garage to store at least one of his personal vehicles and two of his motorcycles. The Board levied a civil penalty of $4,000, suspending $2,000.

- Cheryl Steele, an employee of the Department of Corrections, for using state resources for personal gain. Records indicated that Ms. Steele used state resources to send an email from work to members of the Spokane City Council and the West Central Neighborhood Council in support of local business owners. The Board provided a Letter of Instruction regarding the use of state resources and fined her $100.

- Tara Salzer, an employee of the Department of Natural Resources, for using state resources for personal gain. Evidence indicated that Ms. Salzer used her state computer to purchase an item from Craigslist; and on several occasions she sent/received emails from her state email account in support of at least two outside, non-profit groups. The Board levied a civil penalty of $100.

- The Board found Reasonable Cause in seven cases: 2012-037 (Buss), 2012-048 (Glenn), 2012-049 (Gifford), 2012-053 (Goss), 2012-054 (Rutynne), 2012-056 (Gardiner) and 2012-058 (Hyatt).
