## STATEMENT OF UNDERSTANDING

### If approved by CWU to study abroad, I agree that:

- Participating in a CWU study abroad program is a privilege and not a right.
- Approval by CWU to study abroad does not guarantee acceptance into my chosen program. Acceptance is ultimately determined by the program's sponsoring organization and requires that I complete a separate application process.
- Some programs, including CWU-sponsored faculty-directed programs, may require a deposit at the time of or shortly after application in addition to the SAEP application fee.
- I will attend a mandatory CWU Pre-Departure Orientation and complete the requirements within the CWU Acceptance Packet.
- I will be charged and must pay the beginning of each term a CWU Concurrent Enrollment Fee of \$500 for quarter-based programs and \$750 for semester-based programs. This fee is non-refundable once my program has begun. Students participating in internships or faculty-directed programs are exempt from these fees.
- I will pay my program fee and all other required expenses to the sponsoring organization and/or host institution in a timely manner and, should I fail to submit payment before a deadline, may be subject to late fees and collection procedures.
- I understand that I am subject to the CWU international insurance requirement and that, barring a granted waiver request, the cost of this insurance will be applied to my student account by SAEP.
- I will fulfill any requirements stated by my Academic Advisor, Financial Aid, Veteran's Affairs Counselor, or host institution.
- My placement will be limited to the period specified. Deferment and extension requests are subject to review and approval by CWU, sponsoring organization, and the host institution.
- Requests to change programs and locations are subject to review and approval by CWU, sponsoring organization, and/or the host institution.
- My placement may be terminated by CWU, the sponsoring organization or by the host institution, if I fail to maintain minimum academic and conduct standards of my host institution or, I am found to be in violation of laws or regulations for my host country.
- If I withdraw from the program any time after approval:
  - I must notify CWU in writing.
  - I may still be obligated to pay the full program fee as outlined by the sponsoring organization's refund and cancellation policy.
  - Refunds for CWU-sponsored programs shall be limited to funds recoverable and/or uncommitted at the time of cancellation.
- CWU may contact, in the event of an emergency, those whom I have listed in my application as Emergency Contacts.
- It is my responsibility to obtain a passport and all visas/residency permits to enter the host country and to prepare all travel arrangements to the host institution.

***I acknowledge that all statements in this application are complete and accurate to the best of my knowledge and that I have read and agree to the conditions outlined in the Statement of Understanding.***
