Four $2,000 waivers will be awarded to selected incoming MS-ITAM students in fall quarter, 2015, thanks to the generous support of State STEM supplemental state funding. The tuition waiver will be applied to fall quarter tuition and is not renewable.

Requirements:

- A completed FAFSA demonstrating need (see rubric)
- Must not be receiving a state tuition waiver
- GPA 3.0 or above in undergraduate program
- Accepted into the MS-ITAM full-time for the 2015-16

Process

- Students interested in the waiver should email johns松弛@cwu.edu and include the following, no later than February 1, 2015
  - Email indicating interest—Note MS-ITAM STEM Waiver inquiry in email subject line
- Once waiver inquiries have been received, the department will review inquiries between March 1-15 using the rubric attached
- Student must maintain a 3.0 in each class throughout the program
- Please note that MS-ITAM 2015-16 applicants may apply for the waiver but will only be awarded if you are accepted to the Graduate School and the MS-ITAM program.

Notification of award

- All waiver inquiries will be reviewed and students will be emailed if they receive the waiver
- The waiver will automatically be applied to the student’s account

**Some students may have all needs met through state and federal Pell grants. These students will not be eligible.**
