

Acceptance to the program is competitive. Your application will be evaluated on a number of factors including successful completion of the transferable Associate in Elementary Education degree or similar *transferable* AA degree, program course prerequisites, involvement in Project TEACH or other activities that involve working with children, professional development activities, GPA in math and science courses, your teaching essay, and interview. Your admission is contingent upon successful completion of a *transferable* associate's degree and program course prerequisites as well as acceptance into CWU and the CWU Teacher Education Program.

*WEST-B test should be completed and passed as soon as possible, preferably no later than March 2010.

Please send a current transcript to CWU Admissions in Ellensburg (electronically if possible) after your grades have posted for each quarter in which you continue to take classes. If you are in the process of earning your Direct Transfer Agreement (DTA) associate's degree, when you have completed it, send a transcript showing you have earned the degree. The Registrar cannot grant credit for any classes or degrees that are not reflected on your official transcripts.
