Many classes are restricted to certain majors but most classes will open to all students on March 16th. If you are interested in a class, please place yourself on the wait list for the class and SAFARI will automatically enroll the wait list if there are spots available on March 16th. Please note, SAFARI will not automatically enroll you if it will put you in an overload status; it will skip your name and go on to the next person on the wait list. The wait list is only effective until the second day of classes then instructor approval is needed to enroll in the class.

Books for online classes **may not** be available in the Edmonds Community College bookstore. You may order textbooks from the CWU-Ellensburg bookstore: <http://cwubookstore.collegestoreonline.com/>
