

## How to Create A Playlist in MediaAMP

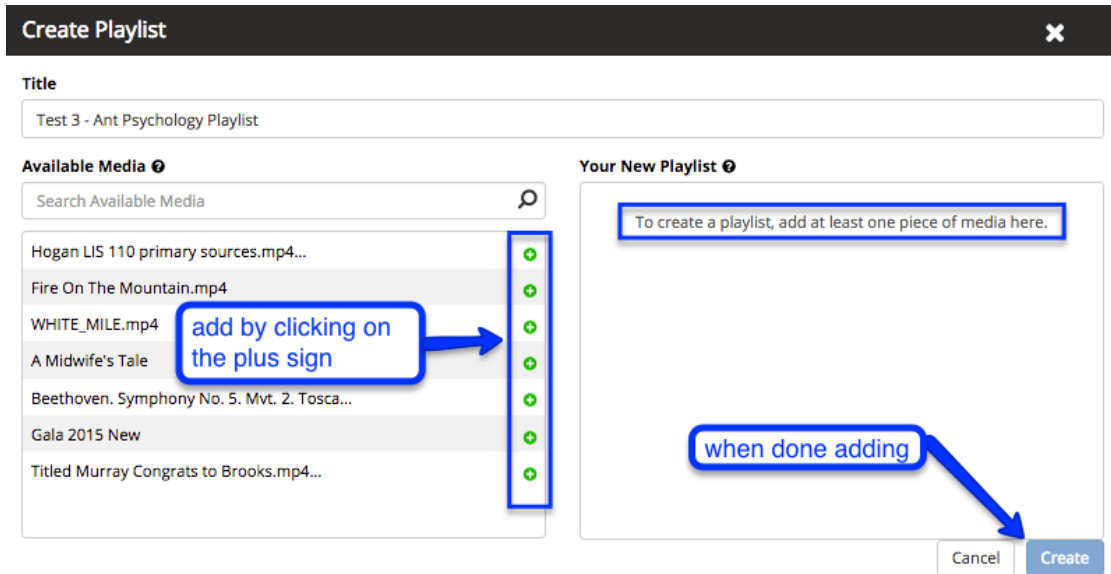

1. Log in to [Canvas](#)
2. Select MediaAMP from the course menu.
3. On right side of page, select drop down menu under your user name.

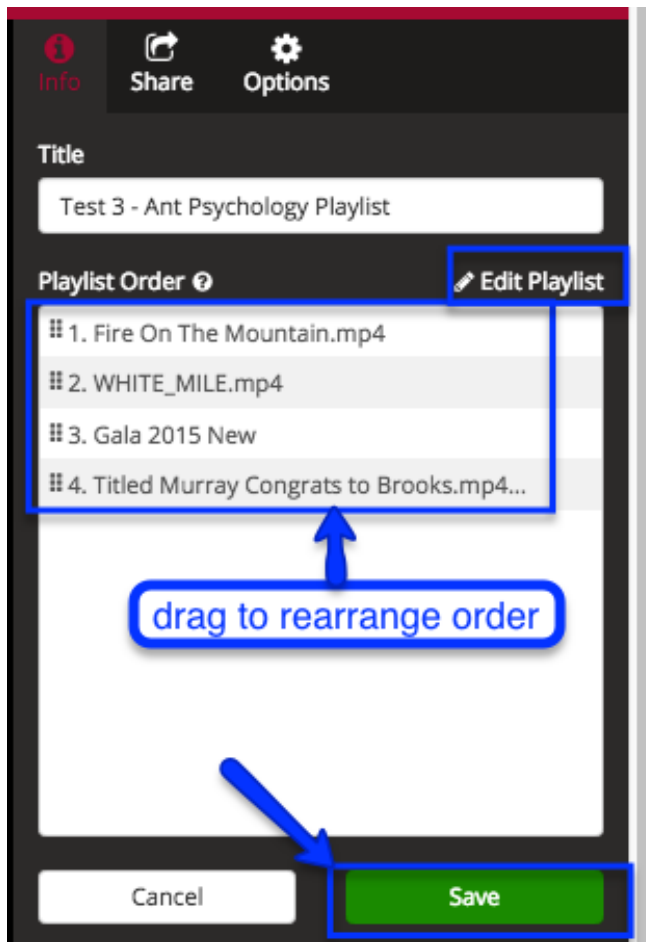

4. Select Playlists.
5. Select Create.

6. Give your Playlist a descriptive title, such as Intermediate Ant Psychology, to make it easy to search for once you start adding a lot of media.
7. Click on the green plus sign + to add a piece of media to the playlist
8. Select the Create button.

9. View your playlist and make any changes, such as rearranging the order, if you wish.

10. Don't forget to Save.
