

How to Share MediaAMP playlist in a Canvas Rich Text Editor (page, discussion, etc.)

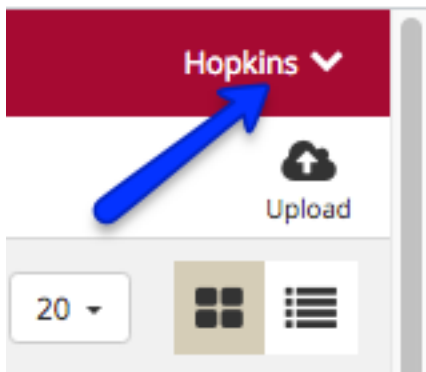

1. Open the page or discussion (or other RTE) and Select Edit

2. Select the MediaAMP selector icon

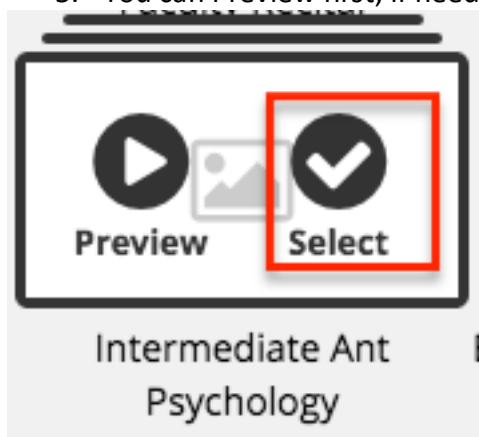

3. Select drop-down

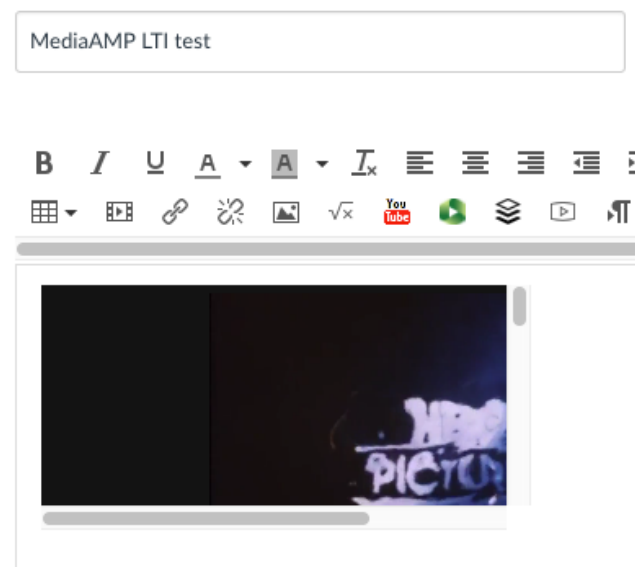

4. Select Playlists

5. You can Preview first, if needed, then Select

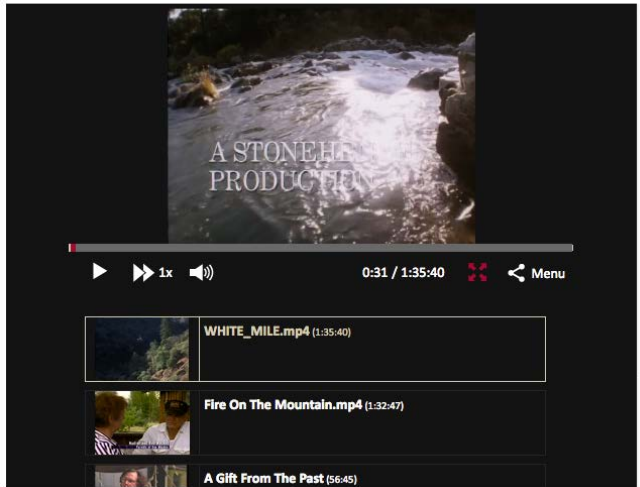

6. The embedded playlist will start to play, but you can stop it by clicking on it. It may also have scroll bars showing, which should disappear when you save the page.

7. View final playlist
