

Activate Your Canvas Account

The Canvas system is currently not a single sign-on with the rest of your CWU accounts. Your username will be the same as your Novell username, but you will need to create a new password. To do so navigate to the CWU Canvas login page: <https://canvas.cwu.edu> . Select the 'Don't know your password' link, as illustrated below.

Next enter your **CWU email address** then select 'Request Password'. You should receive an email from Canvas that will send you a link to set-up your password. (Be sure to check your junk mail folder.) If you have any trouble, or do not receive an email contact Delayna Breckon 509-963-1172 or Canvas 24/7 Support 1-877-399-8897.
