

Certificate

Global Literacy Development

CWU– Online Program

Program Overview

Students in the Global Literacy Development Certificate Program will gain knowledge of best practices in literacy development and effective communication strategies. They will be prepared to support professionals in creating and supporting literacy programs in communities across cultures and around the world. This certificate program will be offered at the Ellensburg campus and on-line.

The Global Literacy Development Certificate is designed to prepare individuals to work in communities to promote literacy growth.

Certificate holders will be equipped with communication skills and basic knowledge about literacy development in order to support, sustain and enhance literacy programs for a variety of organizations.
