FOR THE COMFORT OF ALL OF OUR GUESTS, PLEASE NOTE OUR DISCOVER ORIENTATION POLICIES:

1. Discover Orientation is a substance-free program for students. Alcohol and drug possession or use anytime during your visit will not be tolerated. If students are in violation of this policy, they will meet with CWU conduct officers to determine their fall quarter registration status.

2. Quiet hours in the residence halls begin at 10 p.m. Please be courteous to your neighbors. Remember you have an early morning day two, so make sure to get some rest.

3. Please wear your name tag at all Discover Orientation sessions and meals.

CWU, founded in 1891, celebrates 126 years of history, memories and life-changing education. You now join the CWU family as students and parents. It is now your chance to immerse yourself in CWU’s rich traditions.

**STUDENT ALUMNI ASSOCIATION**

The Student Alumni Association (SAA) is a group committed to celebrating the spirit and tradition of the Wildcat community. SAA offers exclusive benefits to members including a commemorative membership t-shirt. SAA collaborates to host events throughout the year with an emphasis on professional development and mentoring, as well as school pride. Visit the SAA table between 8:00 -10:00 a.m. on day one to learn more and join!

**BE A WILDCAT TRADITIONS KEEPER**

Wildcat Traditions Keepers are alumni of the university who have fully embraced the Wildcat Way through immersion in their education, experiences, and lifestyle. These tradition keepers have demonstrated commitment, passion, and respect for the history of the University and have taken the first step towards becoming a successful alumnus. Following convocation all students will receive a copy of the Traditions Keeper book. This book will introduce students to 91 traditions that embody the CWU experience. Enrich your time at Central through participation in the traditions contained within the book’s pages. By experiencing and recording your involvement in the 1891 Traditions Challenge, you will become part of the history of Central Washington University and in turn you will leave your mark for future generations. While the book is simply a keepsake of the memories earned at CWU, the true legacy of a 1891 Traditions Challenge is in the knowledge and friendships gained while earning the title of Wildcat Traditions Keeper.

After being on the go all day, relax in the serenity of the University House lawn, and enjoy some light refreshments with other parents. You will have an opportunity to meet and mingle with college deans, faculty, and staff. It is a great time to get information unique to your student’s needs.

Wildcat Snapshot (Students only)

Prepare for action, games, and rewards in this fun-filled session. As a team you will experience the many services and programs offered on campus through the interactive Wildcat Snapshot. Session attendees will have the opportunity to meet other students and ask questions about student life as they experience activities “Wildcat-style.”

Recreation Center Open Hours

Come explore this award winning facility and see what we have to offer. The recreation center has everything from cardio equipment, free weights, jogging track, climbing wall, courts and even dry saunas. For more information visit our website cwu.edu/rec or stop by our front desk and ask our friendly staff. Signed waivers are required for anyone using the facility.

Residence Hall Tour

Want to see what a typical decorated residence hall looks like? Orientation leaders will be giving guided tours to show you a common space and a sample room. Please note that because we respect the privacy of the students and conference guests who live on campus during the summer, we are limited in what we are able to display. Beck and Barto Halls are representative of a typical first-year student hall. For complete information about all of our residence halls, including pictures and floor plans, visit www.cwu.edu/housing/residence-halls.

Campus Night Life

After a long day of learning, join us for some fun. A member of Campus Life and Campus Activities will provide a little information about many of the activities and events that are already being prepared for your arrival in the Fall. Then, be ready to laugh and have fun with one of the top comedians from the West Coast.

Late Night Central Style (Students only)

After the busy day, get a taste of Central’s social life. Meet new friends and future Wildcats by joining in on some karaoke fun or just kick back and enjoy the activities inside the SURC. Pizza and drinks will be provided. Residence hall activities include a movie, board games, etc. in the main lounge. Join the CWU Astronomy Club for a chance to view the night sky at the CWU Observatory.

**IMPORTANT ABBREVIATIONS AND TERMS**

**FERPA**
Family Educational Rights and Privacy Act (FERPA) is a federal law that protects the privacy of student education records. This will be discussed in more detail during Discover Orientation. Students must sign a Release of Information form (included in your student packet) in the presence of a CWU employee in order for students’ records to be released to parents or others that they designate.

**MyCWU**
MyCWU is the on-line portal and primary system-of-record for student information at Central Washington University. MyCWU includes admissions, financial aid, student records, academic progress, and student financial functions. Other auxiliary systems pass transactions to MyCWU to maintain accurate student records. MyCWU is the primary source of information for students and faculty, including class schedules, registration, grades, and financial need.

**CWU EMAIL**
In order to comply with FERPA guidelines your _____@cwu.edu email address is the only account that we can verify your identification and is the only address to which official university correspondence will be sent.

**WiFi at Discover Orientation**
1. Connect to the “CWU-Public” wireless network. Once connected open a browser to accept the use policy.

**DTA: Direct Transfer Agreement**
The transfer agreement ensures that a student who completes an Associate in Arts degree (or other designated direct transfer degree) at a public community college in the State of Washington will have satisfied all or most of the lower division general education requirements at the various baccalaureate institutions. The student who has earned a degree covered by the guidelines will generally have junior-level standing at the receiving institution.

**PHOTOGRAPHY & VIDEO**
As a public university, CWU often uses images and video of public campus life, events, ceremonies, and other university activities to advance the mission of the institution. By visiting, registering at, or being employed by CWU and being present in a public setting, you authorize the use of and reproduction by the university to any photographs or video taken while at CWU, without compensation. All photo and video files are university property, solely and completely.
