Welcome to the 2014-2015 Parking Year at Central Washington University.

WHAT YOU NEED TO KNOW!

To be valid, permits must be conspicuously displayed, preferably from the rearview mirror.

- Parking permits are required during all breaks.
- Each parking lot has its own parking rules, read each sign for enforcement when entering parking lots.
- For continued safety of vehicle parked on campus, it is strongly advised to lock your vehicle, and remove visible items. University Police and Parking Services is not responsible for vehicle or property theft, damage or vandalism incurred on campus. REMEMBER TO LOCK YOUR VEHICLE!
- Any vehicle connected to me by being listed on this form, displaying a permit assigned to me, registered with the state in my name, or that I drive to this campus, is subjected to being cited at my expense when found in violation. I have the option to appeal my citation within 15 days of the violation, and can do so by completing a form at the Parking Services office or online at http://www.cwu.edu/parking/appealing-process

CWU parking permits are non-transferable—they may not be sold, transferred or gifted to another person.

Plan ahead. Order your student permit online at http://www.cwu.edu/parking/online-permit-application if you are charging the permit to your student account. After ordering, allow at least 24 business hours for processing. You may pick the permit up at the CWU Parking Office in the Public Safety Building located at 1211 D Street.
