### Section 18.12.2 of the CBA

*Effective for the 2022-2023 academic year, the University will establish a pool of \$100,000 per academic year to support travel by tenured and tenure-track for the purpose of presenting scholarship or creative activity. Funds will be distributed by the Office of the Provost following an application process.*

- 1) Funds are to be used for travel taking place to present scholarship/creative activity during the academic year.
- 2) Funds must be used for presenting research or creative activities at an academic conference or for conducting research relevant to your discipline and connected to tenure, promotion, or retention goals.
- 3) Applications will be evaluated by a committee that includes one tenured or tenure track faculty member from each college.
- 4) The committee will evaluate the applications and provide recommendations to the provost, including the strengths and weaknesses of each application. The provost will make the final decision.
- 5) Applications are due, via email, to the provost's office by 5:00 p.m. on October 31, 2022. Late applications will be accepted if funds are still available. Preference will be given to those applications received by October 31, 2022.
- 6) Faculty are expected to use their \$1,200 of faculty development funds and any other appropriate funding for this travel, prior to using the travel pool.
- 7) The budget should breakout the funding sources being used (including the \$1,200 of faculty development money), as well as the expenses associated with the trip.
- 8) Funds are approved for the trip and academic year in which they are applied for. If the trip is canceled for any reason, faculty must reapply for travel funds.
- 9) Travel funds may not be carried over to a different academic year.
- 10) All funds must be used in accordance with the CBA and University policy.
- 11) All travel is to be in accordance with CWU travel policies, <https://www.cwu.edu/financial-affairs/travel-procedures-and-policies>
