Faculty180
Quick Reference

What is the Faculty180 System?
Faculty180 is the system that is used for:
- Faculty Workload Plans
- Activity Reports
- Curriculum Vitae
- Faculty Related Reporting
- Reappointment/Tenure & Promotion/Post Tenure Review

What are the benefits?
- One system for workload planning, activity reporting for the university;
- Teaching, Scholarship and Service information is located in the system
- Ability to store and/or link to artifacts
- Facilitate approval processing for workload plans and evaluations
- Ease of use – entering information as changes occur will allow for current reporting at any time

How to Access Faculty180: (you will be able to access after training)
- Open a browser (Internet Explorer or Firefox on a PC; Safari browser or Firefox on a Mac).
- Go to the CWU homepage at www.cwu.edu.
- Click on the Wildcat Connection link at the top of the page. Enter your Novell username and password.
- Click on Faculty180 in the left-hand menu
- Enter your Novell login and password on the Faculty180 screen.
