Wildcat Statue Write Up

Additional Images available at:

Description:

Central will be placing our very own Wildcat Mascot Statue on the SURC East Patio with an estimated completion date of June 2015. The sculpture itself will be created by artist Matthew Gray Palmer, who resides in Friday Harbor, Washington. The base of the statue will be created by our very own CWU Facilities Department, with the idea of using basalt, a rock that is seen frequently around our beautiful campus. Installing a Wildcat Statue on our campus was an idea originally brought to this University 3 years ago, but lacked funding and momentum to ever reach completion. Without the following donor’s, this project would not be possible.

Donors Include:

The SURC Art Committee, Provost Levine, University Advancement, CWU Housing, The Wildcat Shop, ASCWU Student Government and President Gaudino

Also, without the help of Cherie Wilson and Joanne Hillemann as my advisors, I would not have been able to make this project happen. Their knowledge and experience helped me tremendously.
